MEMO TO ALL EXHIBITORS:

Western Event Service is pleased to have been selected to serve as the Official Service Contractor for this show. In this capacity we will assist you in every way possible to promote a successful and effective marketing presentation.

Please take the time to read over the entire Exhibitor Service Kit carefully, it contains information and order forms for your use. Please select the proper forms for your needs and fill them out accurately. Errors or omissions may result in higher than expected fees for services and rentals. To avoid 30%, or higher, late order charges, all orders must be received at least 2 weeks prior to the first day of Exhibitor move-in for this show. The last day we will honor the Advance Order prices for this show will be Tuesday, March 14, 2012.

Full payment must be included with your order to take advantage of pre-order prices. All orders received without payment will be processed at the Late Order price rates and services will not be provided at the show until payment is received.

The standard booth for this show will be 10' wide x 10' deep. Please note that the floor of the exhibit area is not carpeted and that electrical service is not included as part of the basic booth equipment. Each booth will include the following basic equipment:

1 - 8' Draped Table Exhibitor ID Sign Wastebasket

SHOW HOURS:

Exhibitor Move-in: 1:00 PM – Tuesday, March 27th

Show Opens: 9:00 AM – Wednesday, March 28th

Show Close: 4:00 PM – Wednesday, March 28th

Dismantle Must Be Completed By: 7:00 PM – Wednesday, March 28th

ASSISTED MOVE-IN & MOVE-OUT:

In order to help with the move-in and move-out of your materials for the show, SYSCO has arranged for labor to move your materials from the loading dock to your booth and back again at the close of the show. Please be prepared to have your materials loaded onto carts or pallets and moved to your booth while you park your vehicle. Vehicles will not be allowed to remain on the loading dock after materials have been unloaded.

DECORATOR UNION INFORMATION:

In order to conform to current union contract rules and regulations, it will be necessary for all exhibitors to utilize qualified union personnel for all display installation and dismantle labor. The handling or setting out of merchandise that is to be displayed does not require union labor and may be done by the exhibitor. In addition, the installation or dismantle of an exhibit, which does not require the use of tools, or more than one person and which can be accomplished in 30 minutes or less, may be performed by the Exhibitor.

INSURANCE:

Under no circumstances will Show Management, Western Event Service or the facility assume any responsibility for product or display material that may become lost, stolen or damaged. You must carry your own insurance to protect your property from the time it leaves your care until its return.

SHIPPING INFORMATION:

YRC Freight Service will serve as the Official Freight Service Company for this show and will be the preferred carrier for this show. YRC Freight Service and Western Event Service will have priority at, and control of the loading dock at all times.

Do not ship your Advance Freight to the Sacramento Convention Center. They are unable to accept and store Advance Exhibitor Freight and will usually refuse Advance Exhibitor Freight unless it is delivered on the scheduled show move-in date. With the short time frame available for move-in, and the limited loading facilities, we strongly suggest that all freight be sent to the Advance Freight Warehouse to be included with our delivery to the show.

Freight and exhibit material sent in this manner will be ready and waiting for you in your booth space at your scheduled move-in time.

Please mark your Advance Freight Shipments with all of the following information:
